

Richard G. Weiss

Professor of Chemistry, 1986-present
Georgetown University
Washington, DC 20057-1227
(1974-present)

Education: Brown University, Sc.B., 1965
University of Connecticut, M.S., 1967
University of Connecticut, Ph.D., 1969
California Institute of Technology,
Research Fellow, 1969-71

Previous Positions:

Visiting Assistant Professor of Chemistry, Instituto de Quimica, Universidade de Sao Paulo,
Brazil (1971-74)
Visiting Scientist, Max-Planck-Institut für Strahlenchemie, Mulheim a.d. Ruhr, Germany (1981)
Visiting Professor, Ecole Nationale Supérieure de Chimie, Université Louis Pasteur, Strasbourg,
France (1982)
Visiting Professor, Université de Bordeaux I, Talence, France (1982)
Visiting Professor, Indian Institute of Science, Bangalore, India (1989-90, 1998)
Visiting Professor, Institute of Photographic Chemistry, Chinese Academy of Sciences, Beijing,
China (1997-98)

Fellowships and Awards:

National Institutes of Health Postdoctoral Fellowship (1969-71)
National Academy of Sciences Overseas Fellow (1971-74)
Sigma Xi
DAAD stipend, Germany (1981-82)
CNRS stipend, France (1982)
Fulbright Research Fellowship from the Indo-U.S. Subcommittee on Education and Culture
(India; 1989-90)
Fulbright Research Fellowship (Slovakia; 1998)
Honor Professor, Institute of Photographic Chemistry, Chinese Academy of Sciences, Beijing,
China
Foreign Member of the Brazilian Academy of Sciences
Career Research Award, Georgetown University (2002)

Member:

American Chemical Society
Inter-American Photochemical Society (member of Advisory Board, 1996-2000; co-organizer,
Eighth I-APS Conference, Iguacu, Brazil, May 1996)
European Photochemical Association (Treasurer for the United States, 1983-89)

American Association of University Professors (Secretary/Treasurer of Georgetown Chapter, 1987-89)
Discipline Advisory Committee for Fulbright Scholar awards in Chemistry (1992-1995; Chair, 1993-1995)
International Union of Pure and Applied Chemistry (Titular member, Commission on Photochemistry, 1996-99; Secretary, 1997-99; Chair, 2000-01)
Advisory Editorial Boards of *Langmuir* (1999-2004) and *Journal of the Brazilian Chemical Society* (2000-present)
Senior Editor: *Langmuir* (2004-present)
Latin American Task Force, American Chemical Society
Inter-Society Committee on the Practice of Photosciences
