The Chemistry Department at Davidson College invites applications for a one-year, full-time Visiting position beginning August 15, 2018. Consistently ranked among the nation's top liberal arts colleges, Davidson College is located in Davidson, NC, close to Charlotte. Duties will depend on the experience and area of expertise of the candidate, but will primarily include teaching laboratory courses in general chemistry. Details regarding the chemistry program can be found on the department website (http://www.davidson.edu/academics/chemistry). Candidates must have a Masters, ABD or Doctoral degree in chemistry. Position inquiries may be directed to Durwin Striplin, Professor and Chair of Chemistry, at dustriplin@davidson.edu. Candidates should complete an online application at http://employment.davidson.edu. The following items are required: letter of application; curriculum vitae; at least two letters of reference; statement expressing the candidate's teaching experience; undergraduate and graduate school transcripts. Consideration of completed applications will begin immediately and continue until the position is filled. At Davidson College, we believe the college grows stronger by recruiting and retaining a diverse faculty and staff committed to building an inclusive community. In order to achieve and sustain educational excellence, we seek to hire talented faculty and staff across the intersections of diverse races, ethnicities, religions, sexual orientations, gender identities, ages, socio-economic backgrounds, political perspectives, abilities, cultures, and national origins.
