PITTSBURGH, PA 15282  
TEL 412.396.6340  
FAX 412.396.5683  
www.duq.edu

The Department of Chemistry and Biochemistry at Duquesne University is pleased to announce its search for a 9-month tenure-track Assistant Professor in either experimental or computational physical chemistry. I am writing to request your assistance in promoting and circulating the attached search announcement among your colleagues and especially among postdoctoral fellows in your Department who have appropriate research expertise and aspirations in physical chemistry. While the position will remain open until filled, priority will be given to applications submitted by October 1, 2018.

The Duquesne faculty is composed of 3 non-tenure-track and 13 tenure-track professors (with 1 additional tenure-track position to be filled over the next two years). The Department faculty currently includes a Fellow of the American Chemical Society (ACS), three National Science Foundation Career awardees, a winner of multiple R&D 100 Awards, patent holders, editors of professional journals, and multiple winners of university awards for teaching, scholarship, and service. Our goal is to recruit outstanding junior colleagues with the motivation and ability to contribute significantly to our Department as teacher-scholars. As a Department, we are strongly committed to enhancing the diversity of both our faculty and our student body. Accordingly, we especially encourage applicants from under-represented groups in this search.

Enclosed is a copy of the search announcement for your information and use in promoting and identifying candidates. Please feel free to call me (412-396-4709) or send email to [chemistry@duq.edu](mailto:chemistry@duq.edu) if you have any questions about the position. Qualified candidates can apply to <http://apply.interfolio.com/xxx>. Reference the enclosed announcement for additional information. Thank you in advance for your assistance.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ellen S. Gawalt'.

Ellen S. Gawalt

Hillman Distinguished Professor  
Chemistry and Biochemistry  
Department Chair

## ASSISTANT PROFESSOR IN PHYSICAL CHEMISTRY

The Department of Chemistry and Biochemistry is currently seeking a Full-Time Faculty, for a 9-month, tenure-track Assistant Professor in the area of physical chemistry starting August 2019. Duquesne's Chemistry and Biochemistry Department combines world-class research with the intimacy and attention of a small liberal arts college. Duquesne University values equality of opportunity as an educational institution and as an employer. We aspire to attract and sustain a diverse faculty and staff that reflects contemporary society, serves our academic goals and enriches our campus community.

### REQUIREMENTS:

The successful candidate must have earned a Ph.D. and have post-doctoral experience.

### APPLICATION INSTRUCTIONS:

Duquesne University uses Interfolio to collect all faculty applications electronically. The successful candidate will submit a letter of intent that addresses the reasons for the application for this faculty appointment, a completed curriculum vitae (CV), a description of proposed research projects, a statement of teaching philosophy, and the names of three references complete with telephone and email contact information to <http://apply.interfolio.com/52373>. While the position will remain open until filled, priority will be given to applications submitted by October 1, 2018.

---

*Duquesne University was founded in 1878 by its sponsoring religious community, the Congregation of the Holy Spirit. Duquesne University is Catholic in mission and ecumenical in spirit. Motivated by its Catholic identity, Duquesne values equality of opportunity both as an educational institution and as an employer.*
